LEE POLLAK

Henry Goldberg and Phil Francis have asked me to call you to discuss our company's participation in litigation relating to these proposals.

Given the enormity of the advise I am faxing you the Executive Summary and forwarding you the full text of the advice via our "Friday Bag to New York"

I will telephone you on Saturday May 23 at 7.00 a.m. (Australian time) to discuss the matter - I am crossing my fingers that this is suitable. I have to leave home by 8.15 a.m. (Australian time) for a prior commitment.

Regards

  
JUDITH HARGRAVE
